- ✓ well-developed infrastructure

INVESTMENT ATTRACTION OF THE REGION

up to

60-70%

In 2 years to come the parameter of hotel occupancy will increase

During the period 2015 - 2017 years volume of investment in East Kazakhstan region is proposed to increase, industrial and tourism area development rates will raise.

The presented factors will influence straightly increasing volume of client flow in a hotel sector.

THE HOTEL RESORT IS SITUATED IN AN INVESTMENT ATTRACTIVE REGION WITH WELL-DEVELOPED INFRASTRUCTURE, INDUSTRY AND TOURIST BUSINESS.

Hotel Resort "Irtysk" is located in Ust-Kamenogorsk, administrative center of East Kazakhstan region, big industrial and business center of Kazakhstan.

we define

3

factors providing client flow today

1

East Kazakhstan region is one of the most economically developed and investment attractive regions of Kazakhstan.

Since the beginning of 2015 capital investments volume into the economy of East Kazakhstan region has reached 1.106 billion dollars. Equity contribution has raised from 5.4 up to 7.6% of the total republic volume.

2

East Kazakhstan region is one of the most industrial developed regions of Kazakhstan.

More than 1000 medium and big industrial enterprises are active in the region.

3

Unique natural environment of the region

provides rapid development of tourism.

Ust-Kamenogorsk is considered as the main center of tourists routes in the region.

INVESTMENT ATTRACTION OF KAZAKHSTAN IS CAUSED BY

from **\$11,02** billion.
up to **\$24,67** billion.

Cumulative direct foreign investment
from China into Eurasian Union's
countries during 2009-2013 has
increased

\$22,57 billion.

(91.5% of the total sum) accrue to
Kazakhstan

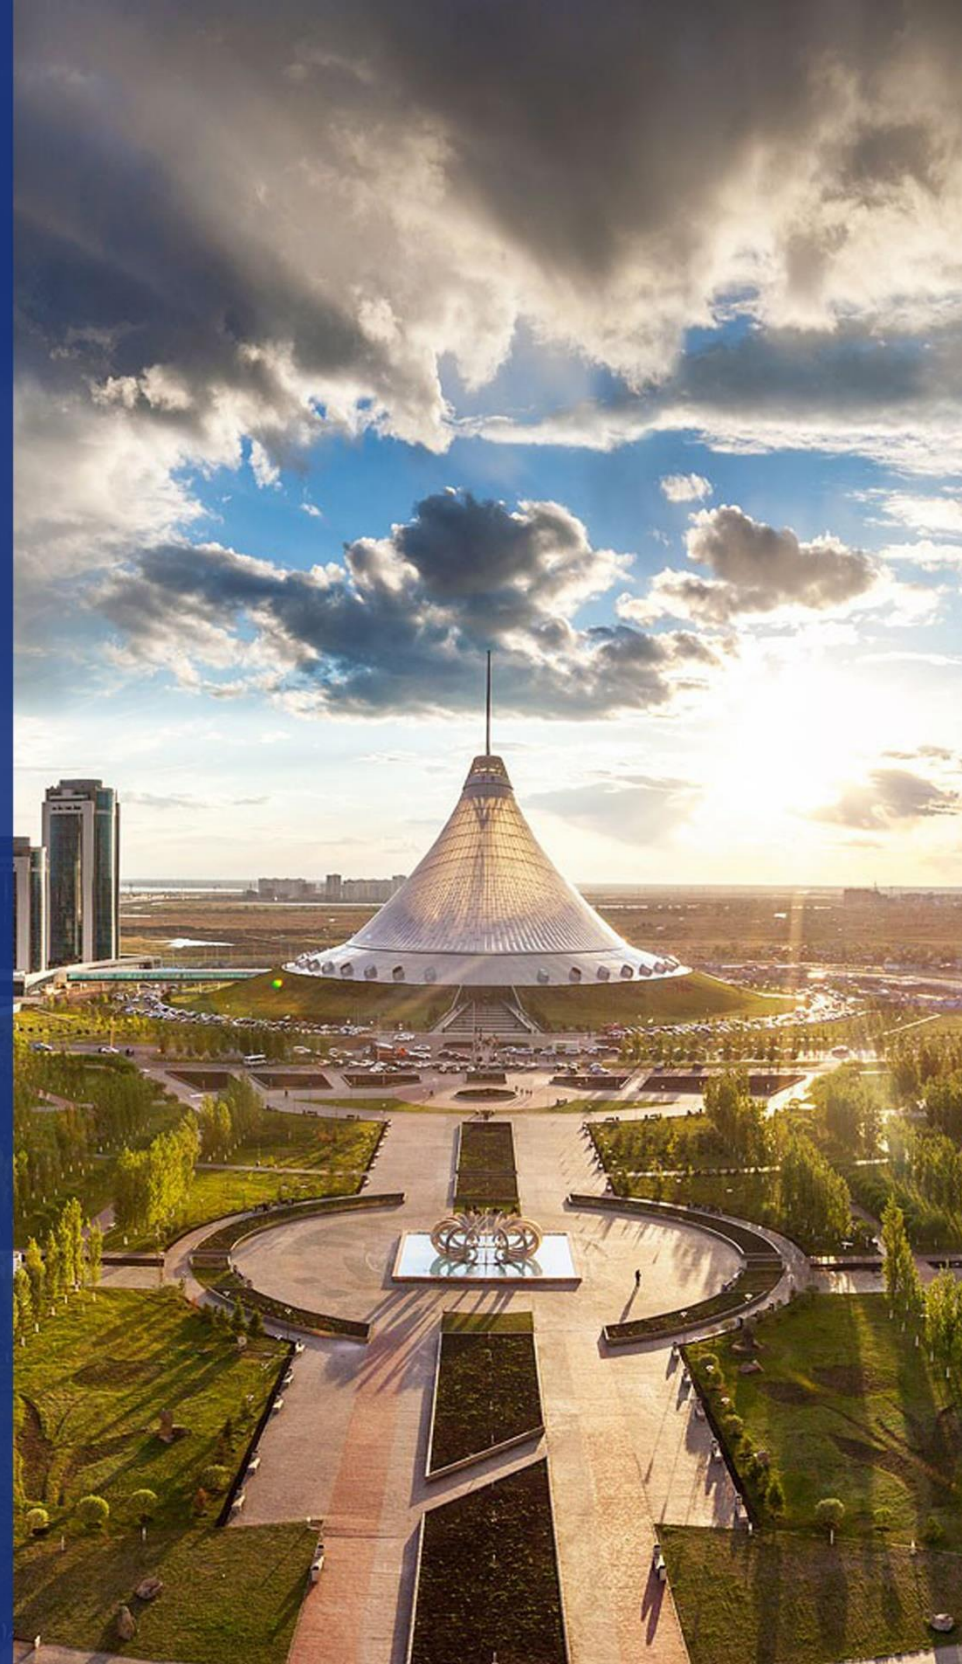

INVESTMENT ATTRACTION IS CAUSED BY:

- ✓ economical and political stability
- ✓ rich natural and mineral resources availability
- ✓ developed industry
- ✓ favorable business climate
- ✓ government measures for investors endorsement
- ✓ favorable investment regulations and requirements
- ✓ attractive tax regulations
- ✓ reduced procedure of obtaining construction permit
- ✓ reduced procedure of property registration
- ✓ strong legal base protecting investor's interests

INVESTMENT ACTIVITY IN THE REGION

Since the beginning of 2015 the volume of investments into economy of East Kazakhstan region has reached 1.106 billion dollars that is twice bigger than the parameter of prior period.

Considering volume of obtained investments East Kazakhstan region takes the 5th place after regions where hydrocarbon production is the key sector and cities of republic appropriation - Astana and Almaty.

INVESTMENT ACTIVITY IN THE REGION

Increase of investments into East Kazakhstan region provides development of an industrial economical sector, increase of number of jobs, business activity in the region and entry of audience from a business sector into Hotel Resort "Irtish".
